

I just wanted to send you a note to say thank you. Since my son Jonathan has done your 3 week conductive ed program he has really showed much improvement. He stands straighter, he is a lot looser which has helped his walking. He's even talking more and clearer. Everyone in his school noticed a difference. We have done Conductive Ed before, but this time was a lot different. I got to do hands on with my son. So I was able to learn more, and now I'm able to do this at home. Once again thank you so much, and I'll see you next year.
